Dear Artist, Crafter:

The 19th Toledo Lighthouse Festival is northwest Ohio's signature waterfront event. The festival is located on the shores of Maumee Bay/Lake Erie. The lighthouse festival includes: Continuous entertainment; Arts & Craft Village; Boat tours, (weather permitting); Huge Silent Auction; Children's Activities, Lighthouse Merchandise, Food & more. The nautical arts and crafts village is a huge part of the festival attracting artists and crafters from over 100 miles away. The large inside tent worked well in 2022 so we are offering it again this year. We are going to turn it and have the opening from the main road. The inside tent is 10' by 10' space in a large tent for \$100(the large tent is expensive). Outdoor space is 10'x12', for \$60(the same as it has been). **The 2023 lighthouse festival will receive a lot of publicity with news about the completion of the first part of the lighthouse restoration, \$638,000,. We have the plans for a dock/lift and are working on funding. This would allow us to have inside tours.**

The amazing Toledo Lighthouse: Historic buff brick; 4000 square feet; Dedicated May 23, 1904, is on a crib along the Toledo shipping channel five miles offshore from Maumee Bay State Park; There are three stories in the main structure, a three story tower, an annex and a cellar and there is steel roof built like the upside hull of a ship. The over 400 member all volunteer 501c3 nonprofit Toledo Lighthouse Society continues to work to complete \$2.5 million restoration. The 501 c3 nonprofit took ownership of the lighthouse in 2006. The festival is the major event for the lighthouse.. The restored lighthouse will have four 'Keepers' at the lighthouse welcoming guests for tours. The lighthouse festival is the main fund raiser to help the lighthouse. Attendance is estimated from 1 to 3,000, depending on the weather.. **All festival proceeds, net of costs, help the lighthouse. The artists and crafters village is a centerpiece of the festival.**
