TOLEDO LIGHTHOUSE  
SOCIETY

## *Dear Artist, Crafter:*

We missed you in 2020. After a lot of discussion and assessment of the status of COVID, we have decided to move the festival to September 11 & 12 hoping this ensures that we will have a traditional festival with few restrictions. The Toledo Lighthouse Festival is located on the shores of Lake Erie at Maumee Bay State Park. The festival will have great entertainment, arts and crafts village, boat tours, (weather permitting), huge silent auction, children's activities, lighthouse merchandise, food and more. We expect that the nautical arts and crafts village will fill up with over 60 exhibitors. We may have some overflow space depending on COVID requirements. Spaces will be guaranteed based on the application submittal date.

The first phase of the lighthouse exterior restoration of the lighthouse that puts in windows and shutters along with brick work and several doors restored on the first and second floors began in August 2020 and will be completed in May/June 2021, This is a \$638,000 funded project with a \$500,000 federal/state/county grant, a \$20,000 grant from Cleveland Cliffs and a \$118,000 loan. About \$2 million is needed to complete the restoration so Keeper's' can welcome the public via boats to the lighthouse.

The 1904 Toledo lighthouse is a unique historic buff brick 4000 square foot with a cellar, three story tower and annex and a roof constructed like the upside down hull of a ship.

The Toledo Lighthouse Society is an all volunteer over 400 owners/member(all members are owners) nonprofit organization that took ownership of the lighthouse in 2008. The lighthouse society seeks to promote, educate and restore the Toledo lighthouse. The festival promotes the Toledo lighthouse and raises funds for the lighthouse restoration. The restored lighthouse will have four 'Keepers' at the lighthouse welcoming guests for tours. The lighthouse festival is the main fund raiser to help the lighthouse. Thousands attend the festival.

All festival proceeds, net of costs, help the lighthouse. The artists and crafters village is a centerpiece of the festival.
