## Dear Artist, Crafter:

The 21st Toledo Lighthouse Festival is northwest Ohio's signature waterfront event. The festival is located on the shores of Maumee Bay/Lake Erie. The lighthouse festival includes: Continuous entertainment; Artists and Crafters; Boat tours, (weather permitting); Huge Silent Auction; Children's Activities, Lighthouse Merchandise, Food & more. The artists and crafters are an important part of the festival. Also, since this is a fall festival the Arts and Crafts will have a fall water theme. Outdoor space is 10'x12', for \$40.

**We are working on installing a dock/lift before the festival which would allow us to have inside tours, weather permitting and the inside tours will receive a lot of publicity.**

The Toledo Lighthouse Festival brings in lighthouse tourists from across the country and beyond, The 2024 festival attracted folks from France and Colorado! The reason is the amazing Toledo Lighthouse dedicated May 23, 1904 has buff brick; 4000 square feet; on a crib along the Toledo shipping channel five miles offshore from Maumee Bay State Park; There are three stories in the main structure, a three story tower, an annex and a cellar and there is steel roof built like the upside hull of a ship. The nearly 500 member volunteer 501c3 nonprofit Toledo Lighthouse Society continues to work to complete \$2.5 million restoration. Restoration to date includes windows and shutters for the first and second floors along with doors and brick tucking. The Toledo Lighthouse Society, a 501 c3 nonprofit, took ownership of the lighthouse in 2006. The restored lighthouse will have four 'Keepers' at the lighthouse welcoming guests for tours. The lighthouse festival is the main fund raiser to help the lighthouse.

**All festival proceeds, net of costs, help the lighthouse.**
