TOLEDO LIGHTHOUSE
SOCIETY

Dear Artist, Crafter:

The 17th Toledo Lighthouse Festival is northwest Ohio's signature waterfront event. The festival is located on the shores of Maumee Bay/Lake Erie. The lighthouse festival features great entertainment, arts and crafts village, boat tours, (weather permitting), huge silent auction, children's activities, lighthouse merchandise, food and more. The nautical arts and crafts village was a near sell out in 2019 with over 60 exhibitors. There will be some overflow space in 2020. **The 2020 lighthouse festival will receive a lot of publicity when the \$638,000 restoration project goes to be in early 2020 with construction to follow. This will heighten interest in the festival.**

The Toledo Lighthouse Waterfront festival celebrates the unique historic buff brick 4000 square foot 1904 Toledo Lighthouse located along the Toledo shipping channel five miles off shore from Maumee Bay State Park. The lighthouse is supported by the all volunteer over 400 member Toledo Lighthouse Society which continues to work to complete restoration of this great unique lighthouse. The 501 c3 nonprofit took ownership of the lighthouse in 2006. The festival is the major event for the lighthouse which increases awareness and support for the \$2 million lighthouse restoration. The restored lighthouse will have four 'Keepers' at the lighthouse welcoming guests for tours. The lighthouse festival is the main fund raiser to help the lighthouse. Thousands attend the festival. **All festival proceeds, net of costs, help the lighthouse. The artists and crafters village is a centerpiece of the festival.**

Exhibit Information:

- Exhibitors should have a nautical display theme. Items sold do not have to be nautical. Toledo Lighthouse items encouraged
