**15th ANNIVERSARY TOLEDO LIGHTHOUSE WATERFRONT FESTIVAL**

*July 7 & 8, 2018 Maumee Bay State Park,  
Saturday, 10a.m.-7p.m. Concert in Amphitheatre at 7 Sunday 11a.m. – 5 p.m.*

Dear Sponsor:

We hope that you will be a donor/sponsor for the Toledo Lighthouse Waterfront Festival in 2018. 2018 should be a great year for the lighthouse as lighthouse restoration begins with the installation of the first floor windows followed by a grant for the remainder of the windows and more. All donors/sponsors are recognized in the festival program and if you like, can have a banner at the lighthouse festival and concert. In addition, please also consider naming rights for a lighthouse window. We are installing the first floor windows this year and have a grant for the rest to be installed in 2019. We have raised over \$70,000 of the \$200,000 needed in the 'My Lighthouse Window Campaign' for local grant match. For additional window information, please call Dan Hall at 734-572-5813.

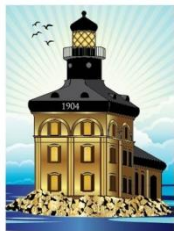

Our buff brick Toledo Lighthouse is being featured in more and more magazines and publications because of its unique architecture, including rolled steel roofing with an all inclusive lighthouse with the keeper's quarters and maintenance room all in one structure. The community enthusiasm in support of the lighthouse continues to grow. This is the 15<sup>th</sup> annual festival to celebrate this unique amazing lighthouse. There is ongoing entertainment throughout the festival in the amphitheatre which includes the American Legion Band, magician, steel drums and other performers for a good time at Maumee Bay. Attendees can have a view of the lake while listening to the performers. There will may be inside the lighthouse tours if a dock is installed and up close photo opportunities around the lighthouse – weather permitting. There are over 50 artists in the nautical arts and crafts village, children's activities by the Toledo School of the Arts and the Maumee Bay State Park Friends Group and great food.

This, our 15th waterfront festival is a regional festival tradition with many repeat attendees. The festival is supported by the all volunteer Toledo Harbor Lighthouse Preservation Society has over 500 enthusiastic members who are helping to educate and to restore the over one hundred year old Toledo Lighthouse. The Toledo Lighthouse Society received the deed to the lighthouse in 2008 and has a lease for the lens. In 2018 plans are to install first story windows and shutters at the lighthouse and to continue working on the \$500,000 grant that requires a \$138,000 match for Phase 1 of the three phase \$1.5 million restoration scheduled for bid in mid 2018.

As a sponsor your banner will be prominently displayed at the festival and your sponsorship will be listed on entrance signs, at other locations along with lighthouse materials. Your company will be listed in ads etc. if permitted. Promotion of the Toledo Lighthouse Festival will start the month before the festival. Attendance at the festival continues to grow. The festival will be listed in all area papers, television stations and radio. Sponsor levels range from \$100 to \$1,000 or more. A \$500 to \$1,000 sponsorship provides a private tour of the lighthouse. All sponsors are helped to provide volunteers for the festival. Please complete the enclosed form as soon as possible. Any questions call 419-691-3788. We hope that your company will support the lighthouse as a sponsor. In addition there is a silent auction form enclosed that you can donate to for the lighthouse this year.

For the Light,

Sandy Bihn  
Toledo Harbor Lighthouse Society President
